

# Consignment Reports

---

Report Access

**JABIL**

# Supplier Access

- Suppliers can access Consignment Inventory and Consignment Consumption data only through the e2open portal.
- The SNC portal is being fully replaced by the e2open Portal, and registration is required to gain access to it.
- After the GO LIVE date, Jabil will send an invitation email, and registration will be mandatory.
- Suppliers can register more email addresses if needed.
- Once registered, suppliers can log in to the e2open-Jabil portal at any time to view Consignment information.
- The portal provides visibility for real-time Consignment Inventory & Consignment Consumption data.

Registration	<a href="#">e2open Portal Registration</a>
Access	<a href="#">Invitation to Jabil Power BI Report</a> <u>Microsoft Account is required</u>
Data	Directly on the PORTAL Excel Download & Upload are also available

# Consignment Report

- **The Consignment Report** provides an overview of the Supplier consignment inventory
- Jabil will grant access to the Consignment Report with a separate process:
  - Email with the topic “Jabil invited you to access applications within their organization” – User needs to **click Accept Invitation**
    - if the user does not have a Microsoft account, then needs to click on Create Account (follow Microsoft instructions) >> After account creation user will be navigated to the Microsoft launchpad – none of the Microsoft apps will be displayed (page empty)
    - If the user has an existing Microsoft account, the process ends (after log in user will be navigated to Microsoft launchpad with all available apps) >> no access from there to Jabil Power BI reports

# System Invitation Email

After the GO LIVE date, you will receive an invitation email from the system >> **Click GET STARTED!**

# Registration

1. Username by default is First Name and Last Name, but the username must be unique. If it already exists in the e2open database, you'll need to adjust it. Click GET STARTED
2. To log in, use the email address provided during registration or a unique username
3. After login, you will be navigated to the e2open page. Click on "JABIL Process Manager"
4. In the drop-down, list select e2open Managed Users and tick the checkbox to remember your choice

You've been invited to join the E2open network!

Register for access to E2open. Already have an account? Log in

All fields are required.

First Name: Mateusz
