

## Decoding digital transformations that shape the future of resilient, and agile manufacturing

**Thursday, 30 May 2024**

**Jabil Headquarters**

- 8:00am Registration\* and continental breakfast
- 8:45am **Welcome note by May Yap, SVP & CIO, Jabil**
- 9:00am Opening remarks by Anousheh Ansari, Board Member, Jabil
- 9:30am **Panel discussion: Sarah C. Crabb, Managing Director, Accenture**  
 Driving Innovation and Security in Manufacturing: The Evolving Role of CIOs
- The pivotal role of CIOs in integrating IoT, Robotics, AR, Digital Twins, and AI to enhance efficiency and innovation, advances the digital revolution in manufacturing. We will discuss resilient supply chains, cybersecurity, sustainability, workforce challenges, and customer-centric approaches.
- 10:10am Interlude 1
- 10:20am **Fireside chat with Jabil IT Leadership**
- Explore the impact of aligning IT strategies with key business areas like operations, supply chain, and finance. Learn about technical agility in response to market fluctuations and how CIOs address critical issues in digital transformation, both on and off the shop floor, for a synchronized approach to technology investments for business value creation.
- 11:00am Interlude 2
- 11:10am **Roundtable: Danny Smith, Principal Strategist, AWS**  
 What Every Manufacturing Leader Should Know About Generative AI
- An interactive session discussing the current state of Generative AI, common use cases every company should consider deploying, and key lessons from the industry.
- 12:00pm Lunch
- 1:00pm **Panel discussion: Sushant Tripathi, VP and North America Lead, TCS**  
 Reimagining Workforce Reskilling and Transformation
- Tech disruptions like GenAI offer organizations a chance to improve operational and business performance, but also widens the skill gap. Our panel discusses the why, what, and how, and explores collaboration within the manufacturing ecosystem.
- 1:45pm Fireside chat with Mark Mondello, Chairman of the Board of Directors, Jabil
- 2:45pm **Group Photo and Jabil CIO Summit Wrap-Up**
- 3:00pm Ends

\* at Jabil's reception desk
